Head of School Junior School – Amy Hardinge

## Whipton Barton Federation – Outdoor Play and Learning

Dear Parent/Carers

Our lunchtime provision has been transformed in the past year and OPAL is going from strength to strength. We really appreciate your continued support with this, even if your child occasionally comes home a little muddy!

We are holding an extended 'open lunch time' on **Wednesday 5<sup>th</sup> December**, where we invite parents/carers/grandparents etc to join their children on the field during their lunch break. This will then give you a taster of the exciting outdoor learning that your child takes part in daily. If your child is in Year 1, 2, 3 and 5 then please arrive at 12.45 and if your child is in year 4 and 6 please arrive at 12.20. Don't forget to bring your wellies!

This is also an excellent opportunity to donate any of the following items in order for our OPAL stash to continue to build:

- Containers such as buckets and plastic jugs
- Metal pots/pans/wooden spoons
- Safe kitchen equipment
- Toy cars

We'd love to see you there, please bring your enthusiasm and creative ideas along with you to play alongside the children. As well as this, continue to encourage your children to bring their wellies to school, so they can enjoy their lunch times even more.

Kind regards,

Charlotte Smith
