

## Swimming achievements for year 6 Children -Academic year 2022/23

What percentage of your Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	56%
What percentage of your Year 6 can use a range of strokes effectively? (for example, front crawl, backstroke and breaststroke)	56%
What percentage of your Year 6 pupils can perform safe self-rescue in different water-base situations?	100% All children have had pool based instruction in self rescue.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes. As our year 6 children missed out on their usual curriculum swimming sessions due to Covid, we provided extra sessions for these children. Unfortunately, these were cut short by our provider. This was disappointing as if we had had another 6 six weeks of lesson, we would have had a much greater percentage of confident swimmers.
