Positive Behaviour Management Policy

Date: October 2021

To be reviewed: September 2022

VERSION CONTROL SHEET

POLICY NAME: Positive Behaviour Management Policy

Policy Prepared by: Georgina Reid

Document date	Filename	Meeting submitted	Summary of changes required
05.10.21	WBF Positive Behaviour Management Policy	Whole Staff Training October 2021	New policy
		October 2021 LGB Meeting	Review to include section about Sexual Abuse and Harassment.

We believe that good behaviour is exemplified by our six Federation Rules. These are:

1. To listen carefully and follow instructions.
2. To keep hands, feet and hurtful comments to yourself.
3. To care for each other and our school environment.
4. Be honest and take responsibility for what you do.
5. Be ready to learn.
6. Move around the school safely, smartly and quietly.

We believe that the benefits of good behaviour are that:

Children:

-  learn what good behaviour means
-  learn to care for others
-  feel happy and safe
-  learn to be good friends
-  develop self-confidence
-  do as well as possible in their learning

Staff:

-  able to build quality relationships with children
-  teach effectively without disruptions
-  meet the needs of all children
-  work positively with Parents/Carers

Parents/Carers:

-  feel confident that their children are being taught in a safe and secure environment

We aim to create a stimulating and caring environment where all children, irrespective of race, religion, culture, ability, gender or disability, learn:

-  to be **increasingly confident and independent** – to care for themselves, to be responsible for their personal safety, to develop self-esteem, to take responsibility for their own actions and to take pride in their achievements;
-  to **value others and their similarities and differences**, to empathise with and respect their feelings, to care for and co-operate with others, and to enjoy and respect their achievements
-  to develop a feeling of **corporate responsibility** by learning to care for their school environment, and developing an understanding of, and concern for, the world around them.

The Federation works to achieve these aims by:

- 🌍 developing **quality relationships** between children and our staffing team
- 🌍 Ensure a staffing team who **care for and care about** children as individuals and their families
- 🌍 planning a **broad and balanced curriculum** which will develop to the full, each child's intellectual, physical, spiritual, moral, social and cultural development;
- 🌍 **structuring activities and routines** to enable children to behave in a positive and appropriate manner for their age and stage of development;
- 🌍 providing **clearly-defined and consistent boundaries** which are carefully explained to the children;
- 🌍 acting as **role-models** by demonstrating the positive behaviour we wish to encourage among the children;
- 🌍 providing a **supportive environment** where appropriate behaviour is encouraged, noticed and praised.

In the Classroom

Careful classroom organisation encourages positive and appropriate behaviour. The behaviour of all adults in the school, including visitors, will influence the behaviour of the children. At Whipton Barton Federation we aim to be **fair and consistent** and **to set realistic expectations. Praise and encouragement are given for appropriate behaviour.**

We believe it is necessary to define, both by **example and by explanation**, what constitutes **appropriate behaviour**. This will occur as part of **normal classroom SMSC and Curriculum** learning and also at times **when inappropriate behaviour has occurred**.

The children will be expected to:

- 🌍 follow the five Federation Rules;
- 🌍 engage in discussions with their talk partner;
- 🌍 ask permission to go to the toilet;
- 🌍 stay in their seats during learning time;
- 🌍 when sitting on the carpet, sit in straight lines, not leaning against walls or tables.

In the Federation

Children are encouraged to feel an **ownership and responsibility for the school as a whole** – by participation in whole-school events, working in and taking responsibility for areas of the school and seeing their learning displayed throughout the Federation.

Children are expected to behave in a positive and appropriate manner in shared areas such as the corridors, hall and break out spaces. This means working or moving around the Federation quietly and calmly so that others are not disturbed or distracted and, especially, for their own and others' safety. Children only move from their classrooms with the permission of, or under the supervision of, an adult. Children using any area of the school are expected to leave it tidy and in a suitable condition for others to use. This should also be consistently modelled by adults.

Movement around the Federation – suggested procedures for large groups:

-  **Teacher should stand at the front** of the line and **Teaching Assistant at the back;**
-  Call the group together using the Team Stop;
-  Give out any **instructions** and set **expectations** using the 1-2-3 model;
-  Make sure all children are **settled, jumpers on** (or in trays) and **shirts tucked in** before setting off;
-  Use set points to **walk to and wait** to ensure no gaps in the line i.e. foot of stairs, corners, doors etc.;
-  Encourage a child to **hold the door for others** to pass through (thank them for this and the child is to respond "you're welcome");
-  Walk to the **left hand side of the stairs;**
-  Encourage children to **pick up fallen articles** of clothing or debris as they pass rather than walk over them (thank /reward them for doing this);
-  Encourage the **concept of personal space** (in due course this should lead to sensible self-disciplined movement around school as the children mature);
-  On **entering the Hall**, the Teacher should stop at the doors and ensure all children are silent, at this point they will be led into the Hall;
-  During Assembly times, children are encouraged to **enter and leave the hall in a quiet and calm manner** and **listen carefully** and **respond appropriately** during acts of collective worship.

When children are moving independently in the corridor they must always follow the Federation rule of 'Move around the school safely, smartly and quietly'.

At lunchtimes, children are encouraged by the lunchtime staff to behave in a quiet and controlled manner and to remain seated while eating.

In the Playground

In the playground, a wider range of behaviour becomes acceptable as the children run, shout and generally let off steam. However, they are still expected to have consideration for their own and others' safety and feelings. It is the responsibility of the Teachers and Teaching Assistants on playground duty at break time to supervise the children and monitor behaviour. Any problems are usually dealt with as they occur but the child's class teacher and/or Key Stage Leader may be informed if any behaviour has caused particular concern.

During the lunchtime, the lunchtime staff assume responsibility for the children but the class teachers and Senior Leaders are available to support. During wet weather, the children remain in the classrooms. During wet lunch breaks, the lunchtime staff, with support from class teachers, arrange appropriate supervision of, and activities, for the children.

As part of the Positive Behaviour Management Policy, a **sanction** for breaking the Federation Rules can include **loss of break and/or lunchtime**. In this instance, the child will remain with the teacher on duty. Children should only be brought in from the playground in extreme circumstances e.g. a child has been seriously hurt. If children are not following the Federation rules on the playground, lunchtime staff will need to address this on the playground and speak to the class teacher at the end of lunch.

Parents/Carers of any child who persistently disrupts lunchtimes for others may be contacted by the class teacher or Unit Leader to discuss ways of supporting the Federation. Parents/Carers may be alerted to the possibility of their child being sent home for lunch for a period of time, unless their child's behaviour improves. If such a sanction is necessary, the school will contact Parents/Carers and discuss arrangements.

Our overall aim is to create a positive learning experience for every child.

The Federation's Policy is to **draw attention to**, and **give specific praise for**, positive and appropriate behaviour and, wherever possible, to note - but give no positive attention to - unacceptable behaviour. This is achieved by the following:

 using the **positive language** of the Federation Rules;

- 🌍 providing a **well-organised and stimulating classroom** and curriculum;
- 🌍 sharing **successes verbally** with other children and adults;
- 🌍 sharing **successes during class and whole-school assemblies**;
- 🌍 giving **Class Dojos, certificates and Headteacher Celebrations** to celebrate **specific successes**;
- 🌍 **focusing on** and **praising appropriate behaviour**;
- 🌍 **making praise specific**, e.g. "I'm really pleased you have shared the paints today" to a child who finds co-operation difficult;
- 🌍 speaking to **children quietly and calmly**;
- 🌍 **speaking** to children **courteously**, without the use of **sarcasm**;

Behaviour Management

Behaviour System

The children must be aware of **the rewards system** that is in place and the **consequences**, which are used to help children to think about their behaviour and to develop a positive attitude towards learning in the Federation. The **Unacceptable Behaviour Chart, Positive Behaviour Time** (Reception, KS1 and KS2), **Federation Rules** and **Magnificent Manners** should be clearly displayed in each classroom.

Rewards and Sanctions

We praise and reward children for good behaviour in a variety of ways:

-  Staff **congratulate** and **praise** children;
-  Staff award '**Class Dojos**' to children for answering questions that 'prove learning' or **excellent attitudes** towards learning, **super choices** and **fantastic behavior**, all in line with the Federation Rules;
-  Each week we nominate a child from each class to receive the '**Star Learner of the Week**';
-  **Headteacher's Celebration** for good learning/behaviour/attitudes;
-  Each term a child is nominated from each class to receive the '**Star Learner of the Term**' certificate.

The Federation employs a **number of sanctions** to enforce the school rules, and to ensure a safe and positive learning environment. We employ each sanction appropriately to each individual situation.

Approaches for Positive Behaviour: (cards referred to displayed below)

1. We begin by giving the child '**The Look**' and show the '**Stop and Think**' reminder card;
2. Staff will celebrate, acknowledge **and reward** good behaviour being displayed by other children around the child, e.g. by adding children's initials to the Super Choices card;
3. Identify the child displaying the negative behaviour and **add a reminder** of the expectations/Federation Rules;
4. Identify the child and move their name on the board as a visual reminder to them next to the '**Warning**' card;
5. **Identify** and **move** the child within the class;
6. If the poor behaviour continues or subsequent Federation Rules are broken then move their name to the '**Poor Choices**' card;

7. If the poor behaviour continues or subsequent Federation Rules are broken then add their initials to the **'Last Chance'** card;
8. If the poor behaviour continues or subsequent Federation Rules are broken then add their initials to the **'Unacceptable Behaviour'** card;
9. Send to the **relevant Unit Leader** or another **SLT** member (at the next available break in learning) to complete the **Unacceptable Behaviour Chart** and **Reflection Sheet**.

Negative behaviour before school, at break time, at lunch time or after school may result in sanctions being given by the Meal Time Assistants or Teaching Assistants; this is then passed on to teaching staff and may lead to an entry on the Unacceptable Behaviour Chart but this is down to the **discretion of the class teacher** and other **Senior Leaders**.

At the start of the academic year (and on introduction in October 2021 initially), the Federation Rules will be explained, set out and displayed in each class. In this way, every child in the Federation knows the standard of behaviour that we expect in our Federation. If there are incidents of anti-social behaviour, the class teacher discusses these with the whole class during 'Circle Time'.

Early Years and Foundation Stage

Whilst children are in the Early Years, they are learning about what behaviours are right and wrong and are starting to develop the ability to understand the consequences of their choices. They develop self-regulation and executive functioning which allows them to inhibit impulsive behaviours, regulate strong feelings, be patient for what they want and plan what to do next. Language development is central to self-regulation as children use language to guide their actions. The development of social skills and self-regulation is key to our curriculum and it is our responsibility to model our Federation rules and support our Early Years children to work within them, at a level appropriate for each stage of their development.

The Federation Rules

All our rules are made with safety and consideration for others in mind. All Federation rules are discussed and agreed with the children then displayed in classrooms.

The Federation Rules are:

Academy Rules	Learners will...	Which enables...	Which prevents...
Listen carefully and follow instructions.	Show Whole Body Listening Be responsive Show positive body language	Children to understand where they are supposed to be at any given time and what they should be doing.	Talking when someone else is and disrupting their own and others' learning.
Keep hands, feet and hurtful comments to yourself.	Ensure the words they use could not hurt anyone's feelings or make them feel left out. Have kind hands	Children to be focused on making the right choices throughout the Federation day.	Unkind behaviours including physically hurting others.
To care for each other and our school environment.	Be helpful Show empathy Walk around the Federation Recognise when they have hurt someone's feelings	Children to be responsible, take pride in themselves and the Federation and be excellent role models.	Upsetting others, swearing and damaging equipment.
Be honest and take responsibility for what you do.	Use Marvellous Manners Be collaborative Be honest Be pleasant to each other	Children to be polite, contribute to a positive and safe environment and be good citizens of the future.	Spoiling others' enjoyment of coming to the Federation.
Be ready to learn.	Be focused Be self-disciplined Try their best Dress smartly in the correct uniform	Children to have a positive Growth Mindset and be in the right place at the right time with the right attitude.	Disrupting others in class and progress being slowed.
Move around the school safely, smartly and quietly.	Move around the corridor without running or talking. Be self-disciplined in their movements	Children to walk sensibly and smartly around the federation. Ensure there is a safe environment.	Other children's learning being disrupted. Any risk of injury.

They will be displayed in classrooms like this:

What the children can expect from staff:

- 🌍 Fairness with clear expectations
- 🌍 An understanding of each child's individual needs
- 🌍 Positive role models
- 🌍 Be approachable
- 🌍 A Trauma Informed approach to interactions
- 🌍 Consistency
- 🌍 Exciting and engaging learning to support all children
- 🌍 To care
- 🌍 Confidentiality when appropriate

Marvellous Manners:

The use of 'Marvellous Manners' is crucial to the children developing into well rounded individuals and will be encouraged at all times. Members of staff will also use Marvellous Manners when they are communicating with each other and the children, ensuring that they are excellent role models for the learners of the Federation. Marvellous Manners are accompanied by Makaton actions as this further aids communication for all learners. Marvellous Manners will be displayed in each classroom, communal areas and in the corridors around the Federation as a reminder.

As a reward for following the Federation Rules, including the use of Marvellous Manners, children have 30 minutes 'Positive Behaviour Time' each week.

Positive Behaviour Time

This is free time when the children are able to enjoy constructive activities of their choice. It is lost for breaking the Federation Rules, generally, in blocks of 5 minutes.

Parental Involvement

The development of positive behaviour patterns and self-discipline is seen to be a gradual process, which begins at home. The Federation welcomes the interest and close involvement of Parents/Carers and we hope that Parents/Carers will support the Federation's Positive Behaviour Management Policy.

Whipton Barton Federation has a structured programme, which ensures that Parents/Carers have regular opportunities to liaise with class teachers and exchange information about both their progress and their behaviour. This is through thresh holding in the playground every day of the week and formal Parents/Carers Meetings, which take place three times per year.

Informal contact with parents, before and after school, is encouraged but Parents/Carers are invited to discuss more specific concerns with class teachers, or the Unit Leader by appointment, if at all possible.

If a child's behaviour gives particular cause for concern, Parents/Carers will be involved as soon as possible. Parents/Carers are invited to work with the Federation in order to support the child to develop appropriate behaviour. Parents/Carers will also be invited to a meeting with the class teacher following their child receiving an 'Unacceptable Behaviour' card. A second 'Unacceptable Behaviour' card will lead to a meeting with a Senior Leader.

Children who persistently have difficulties with their behaviour and have diagnosed additional needs, will have a personal behaviour plan, agreed with the Parents/Carers, staff and the child.

If a behaviour problem is severe or recurring, exclusion procedures may be implemented, following correct procedures (Appendix 1).

Behaviour Care Plans

Some children will sit outside of the normal Positive Behaviour Policy due to individual needs, however these are only to be considered in specialised cases alongside the SLT with particular emphasis on the SENDCo.

We believe that:

- 🌍 All children have a right to education and behaviour that challenges us should not be a bar to this.
- 🌍 Children's behaviour is predominantly a result of past and current life experiences. Our approaches to supporting and managing children's behaviour should reflect this.
- 🌍 Our behaviour policy should work for all children but we recognise that some children require additional support.

To support this we will:

- 🌍 Hold Behaviour Care Plan (BCP) strategy and review meetings chaired by the SENDCo and including other adults who work with the child. These meetings will agree the BCP, which will clearly identify behaviours, triggers, and strategies including emergency procedure to enable staff to deal effectively with the child's additional needs and potentially dangerous behaviours. Children who have a BCP will not be part of the warning/behaviour report card system, unless, in discussion with the SENDCo and senior staff, we agree that this approach has the potential to be effective. Alternative and appropriate systems will be agreed at the BCP planning meetings.
- 🌍 BCP's will be shared with parents/carers once agreed.
- 🌍 Ensure all adults in the federation understand how to support children with additional needs, through individual pupil reviews and regular monitoring of the BCPs by the SENDCo / SLT.

Sexual harassment and online sexual abuse

Whipton Barton Federation takes all reports of Sexual harassment and online sexual abuse extremely seriously and aims to create an open culture where children are comfortable and confident to report all incidents to any member of staff. We are clear that sexual harassment and violence are not acceptable, will never be tolerated and is not an inevitable part of growing up. We will always challenge behaviour or language that seeks to normalise sexual harassment or violence in schools.

Whipton Barton Federation aims to prepare and equip our students for issues and situations related to sexual harassment and online abuse through our curriculum and assemblies. Our age and stage appropriate curriculum covers such issues as:

-  Healthy and respectful relationships, including consent;
-  Gender roles, stereotyping, equality, diversity;
-  Body confidence and self-esteem;
-  Prejudiced behaviour;
-  That sexual harassment and violence is always wrong; and
-  Addressing any culture of sexual harassment.

We recognise the complexity of this issue and will always aim to safeguard all students involved, taking in to account the nature of incidents and their wider context.

For the purpose of this policy, when referring to sexual harassment we mean 'unwanted conduct of a sexual nature' that can occur both in person and online. Sexual harassment is likely to violate a student's dignity, and/or make them feel intimidated, degraded, or humiliated and/or create a hostile, offensive or sexualised environment.

Sexual harassment could include, but is not limited to:

-  Sexual comments, lewd comments, sexual stories, remarks about clothing, appearance and name calling;
-  Sexual 'jokes' or taunting;
-  Physical behaviour, such as: deliberate contact, interfering with clothing, displaying sexual images; and
-  Online sexual harassment, which might include: non-consensual sharing of images and videos (often referred to as sexting), inappropriate sexual comments on social media, exploitation, coercion and threats.

Whipton Barton Federation recognises that all reported cases will have a range of factors that will be considered, these include but are not limited to:

- 🌐 Nature of incident;
- 🌐 The harm caused by the incident (both physical and emotional);
- 🌐 Age of students involved, particularly if the age gap is significant;
- 🌐 Development stage of student;
- 🌐 Any aspects of coercion;
- 🌐 Regularity and repeated incidents;
- 🌐 Any relevant context to behaviours;
- 🌐 Wishes of victim;
- 🌐 Ongoing risk.

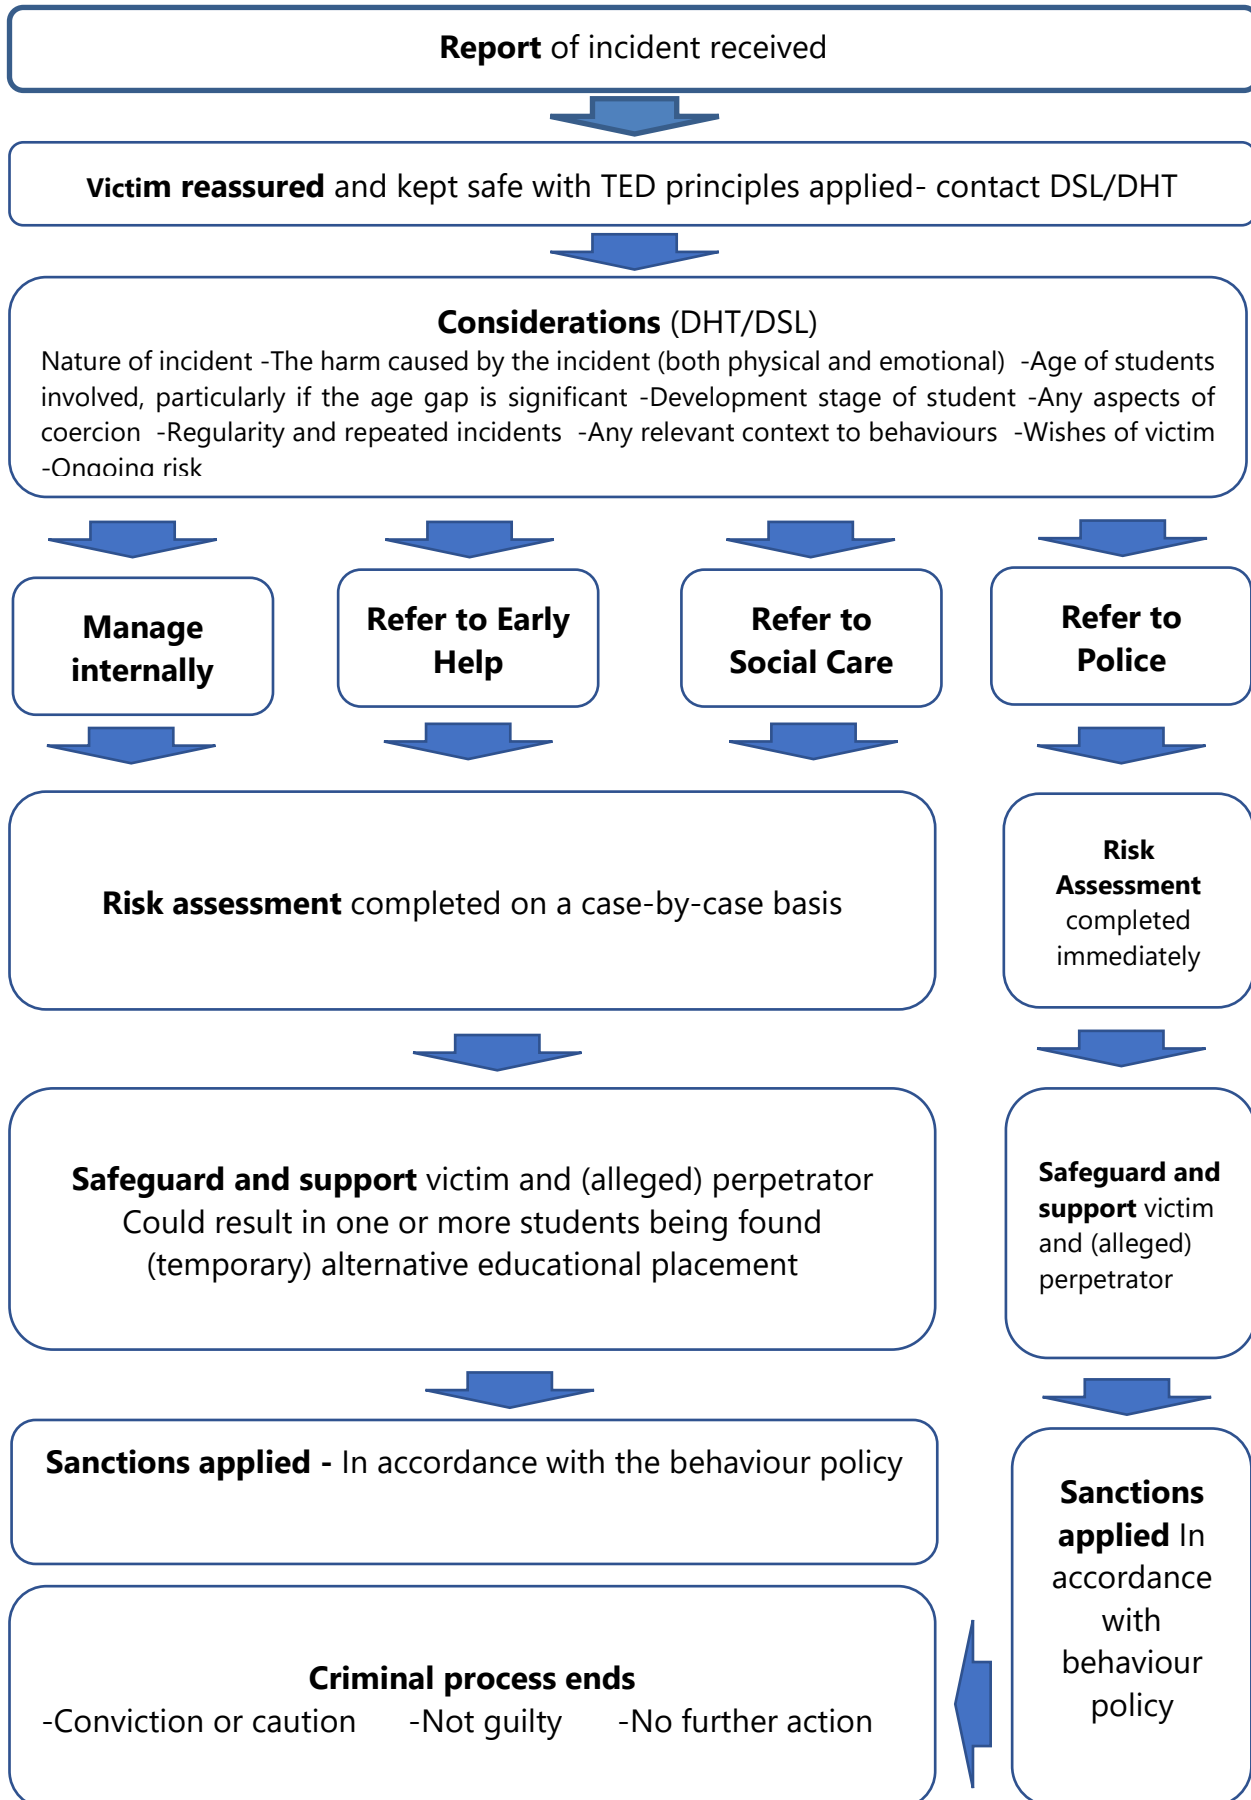

We will always aim to deal with incidents in a timely and sensitive manner. All reported incidents will be recorded and (where relevant) passed on to other agencies for support or further action. We will apply the full range of sanctions available to any student responsible for sexual harassment or online sexual abuse. The application of any sanction is not dependent on any further actions from any other relevant agencies and will be applied in-line with the balance of probabilities principle.

Sanctions may include, but are not limited to:

- 🌐 Fixed term exclusion;
- 🌐 Managed move;
- 🌐 Permanent exclusion;
- 🌐 Referral to social services or police.

Confidentiality and anonymity are very sensitive issues when dealing with allegations and cases of sexual harassment and online abuse. In all cases we will work in-line with the safeguarding principles and in conjunction with any other relevant agencies to protect students. Any decisions made will be discussed with all concerned and handled sensitively.

Whipton Barton Federation will follow the following process when incidents of sexual harassment or sexual abuse are reported.

The use of physical intervention or restraint

The use of force to control or restrain pupils is a last resort – **by a fully trained staff member** (PIPPS) - and can only be used to prevent a pupil from:

-  committing a criminal offence;
-  injuring themselves or others (including staff);
-  causing damage to property, including their own;
-  engaging in behaviour at school or on school activities/visits which is seriously prejudicial to the welfare of other pupils or staff.

Where possible, the remainder of the class would be removed from the situation to ensure there was no further potential for them to be injured or to injure others. A senior Leader would need to be notified as soon as possible.

Where possible there should always be two adults present for any instance of physical intervention. All incidents of physical intervention must be reported to the Headteacher immediately and logged on CPOMS immediately.

Schools cannot:

-  use force as a punishment – it is always unlawful to use force as a punishment.

After this discussion the child shades (in grey pencil) the relevant section of their chart. The Unacceptable Behaviour Card is stapled to the child's copy of the Unacceptable Behaviour Chart so that a record of each incident is kept.

An Unacceptable Behaviour Chart only lasts for the new term in which it is started.

New term (approximately every 6 weeks) = new Chart

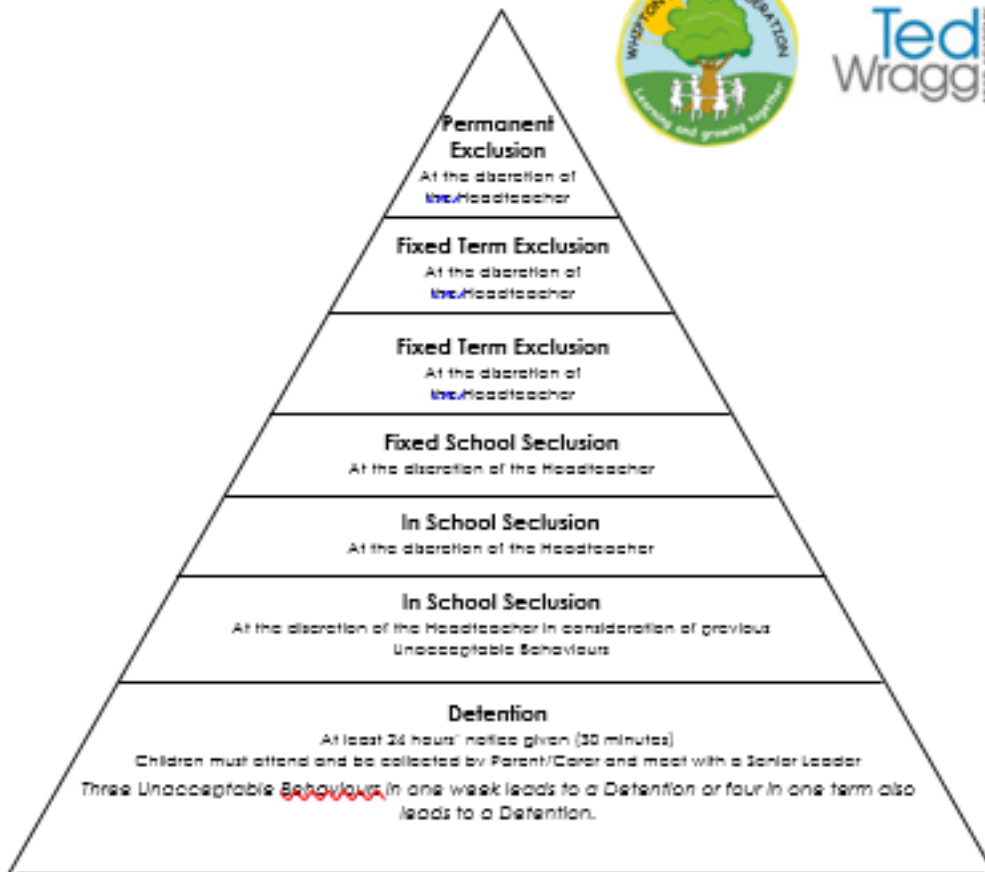

All Charts are kept in the 'Positive Behaviour Management Folder' which is stored in the Admin office of the corresponding school (Infant/Junior).

Letters sent to Parents/Carers following their child receiving an Unacceptable Behaviour card, are put in an envelope and the Admin Team will call the Parents/Carers to ask them to collect the letter at the end of the Federation day. The Admin team will explain that they will need to meet with the class teacher at the end of the school day. If a child receives a second Unacceptable Behaviour card in a week (or four in a term), the meeting will be with a Senior Leader (the Unit Leader of the Key Stage that the child is in).

Evaluation of Policy and Practice

The effectiveness of this Policy in achieving the stated aims will be formally reviewed in accordance with the Federation Improvement Plan, annually. For the initial implementation, this policy will also be reviewed in January 2022.
