December 2017

Dear Parents/Carers

Schools Out Fees

Our School's Out Club is a valuable resource to the school community and is used by many of you to help with childcare and provide fun activities for the children before and after school.

The cost for this provision has remained the same since September 2012, despite rising running costs. Therefore, we will be increasing the cost of sessions from 1st April 2018 in order to ensure that School's Out remains viable.

The new charges will be as follows:

Breakfast Club	£5
After School Club	£10
Both Breakfast & After School Club	£13 (both sessions need to be taken on the same day)

The charges are for full and part sessions. We will no longer be able to offer part payments. For example, you will be charged £10 for an after school session even if you pick your child up at 4.00pm. This is because we still incur staff costs for the session. Most other after school clubs run by schools in the area operate this policy.

You may already be aware that we are now using an online booking and payment system called School Gateway. We would encourage you to use this facility to book your child's sessions and make payments using the Instant Bank Transfer. We also accept Childcare Vouchers. We will send out new terms and conditions to all families currently registered to Schools Out.

If you have queries about any of the above, please do not hesitate to contact the school office.

Kind regards

Mr Gary Read
