

Today, everyone in year 1 to year 6 is going to be doing the same English task! If you have brothers or sisters in other year groups, why not try this challenge together... You could even get your grown-ups at home to have a go too!

Here you will find lots of '10 minute challenges'.

Scroll down the page until you find this one:

**Watch the video** where author Sibeal Pounder will tell you a bit about how she created her books and will give you a challenge to create your own 'mash-up' pet.

These are 10 minute challenges but you may need longer to really get stuck in to your designs!

## SIBEAL POUNDER

Sibeal Pounder challenges you to create your own 'mash-up' pet just like hers in 'Bad Mermaids'

Make sure you send your completed creatures to your teachers – we are hoping to be able to send some in to the website to share with the author!
