

Today is the second of our Year 1 – Year 6 English challenges! We loved seeing your ‘mash-up’ pets last week – make sure you send in this week’s challenge too... Remember, you could even get your grown-ups at home to have a go too!

Click [this link](#) to take you to the same website as last week.

You may well need longer than 10 minutes for this one; see how you get on!

Scroll down the page until you find this one:

Watch the video where you will meet the author Mark Lowery as well as his slightly cheeky monkey... He will give you a challenge to write about something in your house coming to life!

Remember, you may need longer than 10 minutes to really get stuck in to your ideas!

MARK LOWERY

Mark Lowery challenges you to find some objects in your house and write about them coming to life

Make sure you send your completed challenges to your teachers – we are hoping to be able to send some in to the website to share with the author!
