

# Aimes-tu ?

I can write sentence answers to a question, using quantifiers.

Write a sentence to say how you like each fruit. Use either **J'aime...** **Je n'aime pas...**

**J'aime beaucoup...** **J'aime un peu...**

E.g. J'aime un peu les prunes.

|                                                                                    |                                                                                                                                      |  |
