

# HOME LEARNING

Week Beginning  
23<sup>rd</sup> March 2020

Dear Parents and Carers – normally we would be getting ready for our sunny Easter breaks but this year things are very different. In these times of anxiety and change, we are doing our best to maintain as much normality as we can and if the pictures in this newsletter are anything to go by, so are you. I am so proud of your children’s teachers and all other school staff who have managed to keep learning, support and school meals on the road and have been super impressed by some of the amazing home learning we are seeing your children do. Well done everyone; we are with you in these difficult times and will get through them together. Best wishes.
