

HOME LEARNING

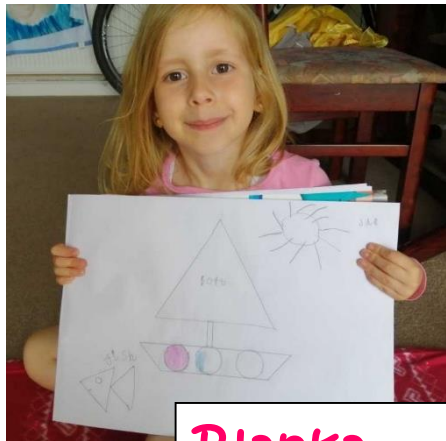

Week Beginning
27th April 2020

Dear Parents and Carers – I want you to know how pleased we all are at school with the efforts you are making. We know it's hard; we know it's a struggle and we know you are doing your best. If there is anything more we can do for you, we are only an email, phone-call, WhatsApp message; text, Google-Meeting or WhatsApp video away! We will get through this together. Keep up the good work!
