

Whipton Barton Federation Primary P.E. and Sport Premium Budget 2020/21

Total fund allocated:
£34,900
Underspend carried over from
previous year: £13,543
Total spend: £48,523

Academic year: September 2021– July 2022

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school.

All children have had between 1 and 2 hours of structured P.E. lessons per week. With our running track, classes use this between 2 -4 times a week to complete Golden Mile sessions. We have a good selection of active clubs available after school. We also have set days for organised lunchtime clubs and after school clubs. Active lunchtimes are promoted throughout the school with a large range of equipment readily available.

We were delighted to have receive the Gold award for The School Games Mark which recognises our commitment to engage in an active school life.

Percentage of budget spent on Key Indicator 1 – 34.6%

Intent	Implementation	Funding allocated	Intended impact	Sustainability and suggested next step.
<p>-Active playtimes and lunchtimes. Equipment for all three of our playgrounds to be ordered along with a storage shed and various storage units. (Key indicator 1,2, 4)</p>	<p>Provide equipment for these set times where children can be active in addition to their PE lessons moving towards the 30/30 goal. Each class will have their own football and basketball to keep in their room and use at these times. A large variety of equipment has been ordered and replenished throughout the school year to cater for many different types of active play. Funds have been invested into decent storage for easy accessibility.</p>	£4560	<p>Children choose to be active during these times, engaging with physical activity and competitive games with their peers. Children have a say about the equipment that they would like during their break times and take ownership for it.</p>	<p><i>Children are both physically and mentally stimulated by the equipment and facilities we have provided. Children are more content to use their free time in an active manner, therefore are less likely to become involved in any disrupted behaviour. Children understand that they need to take care of the equipment and store it sensibly in order to get the most from it. Class basketball and football have proved very popular and have encourage intra team activities.</i></p>

-Change for Life Club (Premier Sports)	To provide a free club during school hours that targets particularly inactive children.	£1365	Children are more active and enjoy taking part in different activities in smaller groups rather than in class situations where they can feel more self conscious.	<i>This club has been a success for our children. Basic data was recorded at the start of each term and then the activities were repeated at the end of term. All children made improvement in their fitness levels and enjoyed the success that came with this.</i>
-Cycle pods installed in both schools to enable safe storage of scooters	To encourage children to travel to school in an active way.	£1392	Children to have an active start to the day. Children are able to store scooters safely for the day.	<i>We have a large number of children who now scoot to school knowing that they can store an access their scooters safely and easily.</i>
-Catch up swimming lessons	To provide curriculum swimming lessons for children in year 5 and 6 who have missed their full quota of lesson due to Covid.	£1248	Children leave our school having met the statutory swimming guidelines.	<i>We had many difficulties securing swimming lesson after Covid. In the Spring term, we were able to provide lessons for our year 6 children (see published swimming data). We also had one term of year 5 swimming. We hope to return fully to our swimming programme next year.</i>
-Provide additional hours for holiday activities	Arrange for our most vulnerable PPG children to attend the HAF club for additional hours during the holidays.	£8200	Our most vulnerable children will have structure to their days. They will have access to a wide range of physical activities in a fun and safe environment. They will also be provided with healthy food.	<i>This was well attended as the club was run from our own setting. The children enjoyed the activities and had the chance to mix with other children from out of our school community. Some children returned to school more settled than they would if they had had a long break at home.</i>

2. Key indicator 2: The profile of Physical Education, School Sport and Physical Activity being raised across the school as a tool for whole school improvement

We have regular assemblies to introduce and promote the clubs we offer along with celebrating promoting and encouraging the use of the running track. Any active/sporting achievements are recognised for children as staff.

Percentage of budget spent on Key Indicator 2 – 13.3%

- Purchase and replenish high quality PE equipment.	Subject leader to monitor and ask staff to inform of any new equipment	£3,193	Staff and children have access to good quality and plentiful	<i>Well stocked and organised storage for our P.E. equipment ensures that</i>

	needed. Orders to be placed as needed.		equipment to enhance high quality teaching of lessons. Teachers are provided with a structured set of teaching and learning resources to support the successful planning and teaching of PE	<i>teachers can access what they need easily. Children value the high quality equipment we have and benefit from it. They have an ownership of the equipment as they had a say in what they would like. New high quality gymnastics mats and storage have been purchased for KS1 additionally.</i>
-Improved outdoor learning area for Reception and KS1 children.	Provide fun and active learning equipment for our youngest children.	£2408	Equipment to be used during continuous provision and break and lunchtimes.	<i>Children are active and engaged in a wide variety of activities. We have invested in high quality equipment built to last made easily accessible due to good storage solutions.</i>
-Membership with St Luke's Partnership. (See key indicators 3,4 and 5) Recruiting and training of Playground leaders.	Use the Partnership programme with St Luke's to provide training for inspiring young leaders in the playground.	See Key Indicator 5	Leaders are confident to work with small groups of children in active games at lunchtimes.	<i>Our leaders have been selected and have trained with our SSCO in the organisation and running of several events (including the year 2 transition events). The next step will be introducing these games during lunchtimes.</i>
Targeted curriculum martial arts session offered.	Devon Martial Arts to take small groups of targeted children during curriculum time to teach the fundamental of martial arts.	£840	PPG children are selected to boost confidence, work on behaviour issues and increase fitness levels.	<i>Children responded well to the physical side of the martial arts programme. Many of the children choose to sign up to the martial arts club and continue to be active and have a real interest in the sport.</i>
<p>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>Subject leader is confident to work alongside any members of staff in addition to bringing in specialist sports coaches.</p> <p>A large amount was spent on this in previous years to purchase the Create Development planning. We have been under their 2 year support programme, therefore limited funding needed to be spent on this for the year.</p>				
Percentage of budget spent on Key Indicator 3 – 1%				
- Renew planning scheme for PE teaching. (Create PE)	PE lead to review and observe the success of the Create PE planning scheme.	£495	We have a consistent approach to our teaching of PE lessons across the Federation where key skills and progression are clearly visible. Staff who are less	<i>Staff like the structure of this PE planning scheme. The PE lead has observed the program being used consistency well throughout the</i>

			confident in this subject have a clear overview and detailed lesson plans for all areas taught.	<i>school which therefore makes it a good investment. Another training session lead by Create PE would be beneficial next year due to the high number of new staff.</i>
-Membership with St Luke's Sports Partnership	Through our membership with St Luke's, staff will be able to be part of intra competitive sports and the running of mini festivals.	See Key Indicator 5	Staff to be part of and also observe how mini festivals and intra tournaments are organised in a variety of activities.	<i>Our children love to take part in the activities organised by our SSCO. There has been a range of activities this year including Active Maths, Cross curricular sessions and transition events for year 2s using our year 4 and 5 playground leaders along with traditional sports such as basketball and cricket.. Staff have taken an active role in the management of these events leading to increased confidence to take ownership for an event independently.</i>

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

As we have many vulnerable families and a high percentage of PPG children in our school, we aim to offer all of our before and after school clubs free of charge, therefore removing any barriers to being active out of school hours and allowing us to achieve the 30/30 provision.

Percentage of budget spent on Key Indicator 4 – 45.6%

- Whizz Kids Bike sessions	Employ Whizz Kids to run balance biking sessions with the children in Reception classes.	£400	Our youngest children are introduced to balance bikes in a fun and challenging way. We hope to promote a love of cycling for their coming school years and later life.	<i>Children are very active in these sessions using a variety of skills and muscle groups. This is the start of our goal to have all children cycling confidently by the time they have completed Bikeability in year 5.</i>
-Encourage all children to engage in a range of before, lunchtime and after school clubs in order to be more active.	To work with local sports providers to ensure that we offer a range of afterschool active clubs. Offer all after school clubs free of charge. Premier Sports clubs: <ul style="list-style-type: none"> • KS1 and KS2 gymnastics 	£13,726	All children are able to access afterschool clubs regardless of their family's financial situation. Children are active for longer periods throughout the day, contributing to the 30/30 provision.	<i>More PPG children are attending clubs after school and therefore being active for longer. Registers kept and detailed data recorded to ensure that we are reaching as many of our target children as possible. Clubs are well attended</i>

	<ul style="list-style-type: none"> • KS1 multisports • KS2 Basketball <p>Exeter City Football Tiger Martial Arts</p> <p>Lunchtime clubs offered free of charge.</p>		Children are able to try different activities that may not otherwise be easily available to them due to money and travel restrictions.	<i>and generally full. To build upon this, we would like to offer a greater range of lunchtime clubs for children to access next year. Good links have been made with Community providers. Exeter City and Premier coaches joined in with our Sports day. Exeter City also provided the year 5 Joy of Movement programme this year.</i>
-Purchase bikes and helmets for children to use for Bikeability and for in school activities. - Maintenance of bikes to ensure they are all roadworthy.	To enable all children to complete Bikeability regardless of owning their own roadworthy bike.	£3397	Every child in our school will leave being able to ride a bike having completed the Bikeability programme offered yearly regardless of owning their own bike at home.	<i>We now have enough bikes in a range of sizes to cover all Bikeability sessions. Going forward, we would like to be able to run learn to ride sessions in KS1 again (not done since Covid) and bring in Whizz Kids and Sustrains to help with this again.</i>
-Install a large shed to store our fleet of bikes. Add shelving for helmets.	Provide large, safe and easily accessible storage for our bikes and helmets.	£4400 £52	Our bikes will be kept securely on site and away from the elements allowing for them to last longer in good condition.	<i>The large shed is perfect for storing all of the bikes within the secure site ensuring that they will remain in good condition. SEND children access these bikes daily as part of the daily timetable.</i>
Key indicator 5: Increased participation in competitive sport				
Percentage of budget spent on Key Indicator 5 – 5.6%				
-Membership with St Luke's Sports and Science College	Liaise with School Sports co-ordinator to take part in the competitions calendar and events.	£2700	All children in the school will be given the opportunity to take part in intra and inter sporting activities. Children targeted for ability and also need for activity, ie Change for Life events.	<i>Although many large scale events were still not fully up and running due to Covid restrictions, we have been able to increase our intra competitions. We have had many events organised in conjunction with our St Luke's SSCO for each year group.</i>
